

INDOOR SHOOTING

As the nights start to draw in we will begin our indoor shooting very soon. We will be setting the range up on the **22nd October 2017** and the regular indoor sessions will be as follows:

Tuesdays 7pm till 9.30pm

Thursdays 7pm till 9.30pm

**Sundays 12pm till 2pm
2pm till 4.30pm
and 4.30pm till 7pm**

Please arrive prior to these times to set up your equipment.

Help will be needed to set up the range on the 22nd and following this we will be holding an **“induction to indoor shooting”** at **2pm** for all our new members who have never experienced this unique environment!

This “induction” will be also be held on the **24th October at 7pm** if you can't make the 22nd.

We will also be repeating our monthly training sessions on the **2nd Thursday of the month** and have already booked in some special guests to come and give us a Masterclass in their particular skills.

And not to forget our fun shoots, our **Halloween** event will take place on the **29th October** and **Christmas** event on the **17th December**.
